

BRIDGER CANYON RURAL FIRE DEPARTMENT COMMUNITY ROOM

Use Policy and Agreement

The BCRFD Community Room is available for use by Bridger Canyon Fire District residents and community groups.

The Community Room is in a working fire station. Emergencies can occur at anytime, and the firefighters and their equipment have priority at all times. In an emergency, users of the community room must follow the directions of the firefighters and/or fire chief and may be required to leave.

If you would like to reserve the community room, check the calendar in the community room to see if it is available. You can also call the department at 586-6427 and leave a message to find out. If it is available, put your name and the name of your group and times on the calendar. Then, complete this form and leave it in the Community Room binder by the calendar. You will receive confirmation of your reservation from BCRFD.
